NEW RUNNING TRACK

A fabulous running track has appeared on the school field during the summer break and hopefully most of the children will have had a test run! Team OSCA pledged to give £23,000 towards this track and we would just like to say a huge thank you to all of our wonderful school community for their support last year.

We have approximately £4000 left to raise which we hope to smash this term with your continued support.

NEW MEMBERS

We currently have the role of secretary to fill with full details on separate communications, please get in touch via our Facebook page or catch any of our team in the playground for more information. We always need helpers with our events whether serving coffee or a chaperone at a disco, sign up lists will be sent via email if you want to get involved.
